VINACEOUS

FINE AND DISTINCTIVE WINES

Since 2007 our unique collaboration has granted us access to some of the best vineyards from The Great Southern and Margaret River regions in Western Australia and enabled us to produce delicious wines.

Our winemaking philosophy is simple and relatively non-intrusive – to produce fine and distinctive wines, that reflect the individual characteristics of the vineyard and variety.

NTAGE 2022 RACONTEUR

MARGARET RIVER CABERNET SAUVIGNON

Vinaceous knows that every great performance starts with a great cast. The Raconteur Cabernet Sauvignon is deep purple in colour, luscious in palate with great length and soft, regal tannins...but please allow the Raconteur to tell the rest of the story...
